## OPEN SUSHI FORMULA CONDITIONS

The menu Open sushi must be chosen by the whole table.

The highlighted dishes are excluded from the Open sushi.

They can be ordered and paid apart at a price which is different from the à la carte menu.

Each person can order from the menu an unlimited number of times but with a maximum of 4 dishes per each time.

The dishes are served according to the preparation time of every single dish, with no distinction between starters, first or main courses.

Dishes ordered in excess in Open sushi formula will be charged apart, at à la carte menu prices.
